CAREER OBJECTIVE

Front-End Engineer with experience building high-quality and scalable web applications. Keen on staying up-to-date with the latest technologies and best practices. Seeking to work in an innovative environment where I can gain relevant experience while using my skills to make a meaningful impact.

SKILLS AND ABILITIES

Technical Skills -
HTML
CSS, Tailwind, MUI, SASS and Styled components
JavaScript
React JS
Next JS
Typescript
Jest and React testing library
Firebase
Mongo DB
Git & GitHub
Planetscale

Soft Skills -
Communication, Leadership, Collaboration.

WORK EXPERIENCE

Gathpay,   *Dec 2022 - Jul 2023*
Frontend Engineer

- Collaborated with the design team to translate Figma designs and prototypes into 100% functional web pages using React JS, Next JS, Framer motion, Material UI and Tailwind CSS, ensuring SEO, cross-browser compatibility and responsiveness across all pages.
- Spearheaded the adoption of automated frontend testing tools - Jest and react testing library resulting in a 60% reduction in bug escape rate and more reliable code deployments.
- Successfully integrated TypeScript into the existing JavaScript codebase, minimizing disruptions and ensuring a smooth transition for the development team.

PROJECTS

Klas.
GitHub: https://github.com/OgaDavid/Klas Live website: https://tryklas.vercel.app

Klas is a platform for anyone to start and grow an online academy. This project is a clone of Klas built with Next JS, Typescript and Tailwind CSS.

Nike Shop.
GitHub: https://github.com/OgaDavid/nike-shop Live website: https://nike-shop-two.vercel.app

Nike Shop is a Fullstack Next JS E-commerce store. Having all necessary features of a real life store, users can pay with stripe, add to cart and view dynamic data rendered from the admin dashboard.

Scribble.
GitHub: https://github.com/OgaDavid/Scribble Live website: https://tryscribble.vercel.app

Scribble is your go-to community space where developers can share and learn from high-quality tech and programming articles or even start their own blog.
